

Canadian Student Leadership Association

Resources for Student Leadership

1. CASAA Student Activity Sourcebook:

This invaluable resource contains information on: Having fair elections, Generating spirit, Organizing student council, Running fundraisers, Promoting your programs, Leadership class outlines and resources, Assembly presentations, How to run effective events, Further resources for activities

190 pages (cost \$30)

2. CASAA Leadership Handbook:

This excellent resource contains information on: a Leadership Course outline, Lessons in leadership for students, Self-awareness exercises, Leadership contract, Goals for leadership, Public speaking skills, Dealing with the media, Goal setting, Further resources for a Leadership course. This has served as a basis for a leadership class curriculum.

190 pages (cost \$30)

3. Spirit Works . . . turn it on

This book has over 1,000 exciting ideas for noontime activities, class competition games, staff appreciation suggestions and fundraising ideas. This is the classic pep rally idea book from the great activity guru, Bob Burton.

94 pages (cost \$20)

4. Leadership Lessons

5. More Leadership Lessons

6. Leadership Lessons 3

These books are designed to help teachers teach leadership skills to students in an experiential way. These are exemplary lessons that were submitted to Leadership magazine. The 50 lessons in each book cover: self-awareness, goal setting, organization, communication, meetings, problem solving, conflict resolution and evaluation.

114 pages (cost \$30 each)

7. Activities that Teach

8. More Activities that Teach

These are the best-sellers for any activity-based class. The unique activities engage students in positive learning experiences. Suitable for Peer helpers, Leadership classes, Counsellors, and Substance Abuse Prevention. These activities have been tested in the real world of leadership classrooms and drug prevention programs. Tom Jackson is an expert in the area of active learning.

230 pages (cost for each \$30)

9. Engaging Youth Groups

As leaders of youth, we can design activities and provide opportunities for young people to develop their potential. This book is your guide to build a powerful youth group—whether it is a student government, an after-school club, a sports team, or a community organization. You'll find engaging activities to create group identity and ownership, build relationships, brainstorm ideas, and make cooperative decisions. This book will engage and inspire your youth to make a positive difference.

333 pages (price \$45)

10. Leadership from A to Z

When youth work together toward a common purpose that holds personal meaning, magic happens. This resource gives leadership lessons for each letter of the alphabet. Once students have right words to use and understand their usage, they become better leaders. Expand your student leaders' vocabularies with this great resource from Karen Kettle.
35 pages (price \$30)
