

This will be a one-day leadership journey for student leaders and teacher advisors with all levels of experience. The agenda is designed to provide participants with motivation, inspiration and information to make their schools a better place to live and learn. This is an excellent opportunity for students who might be thinking about taking on a leadership role in their schools.

• **About the Speakers**

Peter Katz is a JUNO Award, Canadian Screen Award and 2-time Canadian Folk Music Award-nominated singer-songwriter. Peter has a tremendous passion for working with youth. He has been a proud mentor for the School Alliance of Student Songwriters (SASS) for over 10 years. Drawing the direct correlation between the moments of greatest discomfort, fear and intimidation in his life journey to the greatest moments of discovery, growth and opportunity, Peter engages his audience through his songs and stories and leaves them feeling a renewed sense of courage and determination to see what's on the other side of that discomfort and fear in their lives.

Jeff Gerber leads one of the largest and most impactful high school leadership programs in the province of Ontario. He is an engaging and experienced workshop presenter and speaker. From an early age when he convinced his entire kindergarten class to change their boots to the wrong feet to match his, Jeff has had a natural way of connecting with people and moving them to action. A genuine motivator, Jeff is always striving to learn more and do more. He is excited to be part of the Horizons and looks forward to meeting you and working alongside you to better your school community!

The Horizons Leadership Conference is a leadership opportunity provided and supported by the **Canadian Student Leadership Association**. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
