LEADERSHIP CONFERENCE

This will be a one-day leadership journey for student leaders and teacher advisors with all levels of experience. The agenda is designed to provide participants with motivation, inspiration and information to make their schools a better place to live and learn. This is an excellent opportunity for students who might be thinking about taking on a leadership role in their schools. It is also an chance for advisors to network and learn.

• **About the Speakers**

Nick Foley is the founder of Celebrate the Hero, Good Sport and the Non-Profit Move for Inclusion. Nick is driven by the desire to perpetuate an environment of self-worth, acceptance, and empowerment in communities. Nick is the very proud father of beautiful Brynn and Welles from whom he has learned more than he ever thought imaginable. They have been, and continue to be the greatest teachers in his life.

Siera Bearchell won the title of Miss Universe Canada in June 2016 and became the first woman from Saskatchewan to ever represent Canada at MISS UNIVERSE. With the rise of social media, we live in a world of endless comparison. Our clothes could be trendier, our skin could be clearer, our muscles could be more defined, the list goes on and on. After facing "body shamers" on an international scale, Siera decided she wasn't going to let others define her and her body. After finding her confidence, Siera set out to share her story with young people around the world and share the ultimate goal, to find happiness from within.

The Horizons Leadership Conference is a leadership experience provided by the Canadian Student Leadership Association. Our aim is to motivate, inspire and educate advisors and student leaders across Canada.
