

This will be a one-day leadership journey for student leaders and teacher advisors with all levels of experience. The agenda is designed to provide participants with motivation, inspiration and information to make their schools a better place to live and learn. This is an excellent opportunity for students who might be thinking about taking on a leadership role in their schools.

### • **About the Speakers**

**Peter Katz** is a JUNO Award, Canadian Screen Award and 2-time Canadian Folk Music Award-nominated singer-songwriter. Peter has a tremendous passion for working with youth. He has been a proud mentor for the School Alliance of Student Songwriters (SASS) for over 10 years. Drawing the direct correlation between the moments of greatest discomfort, fear and intimidation in his life journey to the greatest moments of discovery, growth and opportunity, Peter engages his audience through his songs and stories and leaves them feeling a renewed sense of courage and determination to see what's on the other side of that discomfort and fear in their lives.

**Juan Bendana** has been speaking to students all over Ontario. He knows that teens are not the Leaders of Tomorrow, they are the **Leaders of Today**. Once they discover their true Leadership potential, they can make a significant impact on their school and the world around them *Now*. Juan shares practical Leadership strategies to be able to influence and impact people in school and in life. He helps students realize that true **Leadership is inside everyone**, then teaches them how to tap into that potential.

The Horizons Leadership Conference is a leadership opportunity provided and supported by the **Canadian Student Leadership Association**. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
