

This will be a one-day leadership journey for student leaders and teacher advisors with all levels of experience. The agenda is designed to provide participants with motivation, inspiration and information to make their schools a better place to live and learn. This is an excellent opportunity for students who might be thinking about taking on a leadership role in their schools.

### • **About the Speakers**

**Scott Hammell** knows what it takes to be a student leader. He was an elected member of student council every year of his high school career, and served as the Student Council President in his final year. Since then, Scott has toured the world presenting at top leadership conferences for students from eighth grade through to college and university. He uses magic, escapes, and juggling as methods to create a presentation that is entertaining, inspiring, and unique. Prepare to be amazed!

**Jeff Gerber** leads one of the largest and most impactful high school leadership programs in the province of Ontario. He is an engaging and experienced workshop presenter and speaker. From an early age when he convinced his entire kindergarten class to change their boots to the wrong feet to match his, Jeff has had a natural way of connecting with people and moving them to action. A genuine motivator, Jeff is always striving to learn more and do more. He is excited to be part of the Horizons and looks forward to meeting you and working alongside you to better your school community!

The Horizons Leadership Conference is a leadership opportunity provided and supported by the **Canadian Student Leadership Association**. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
