

This will be a one-day leadership journey for student leaders and teacher advisors with all levels of experience. The agenda is designed to provide participants with motivation, inspiration and information to make their schools a better place to live and learn. This is an excellent opportunity for students who might be thinking about taking on a leadership role in their schools.

### • **About the Speakers**

A former at-risk child turned leader and entrepreneur, **Fahd Alhattab's** mission is to enable people to drive change, build their dreams, and embrace leadership. Though still a youth, Fahd launched a camp for underprivileged kids; raised more than 1.2 million dollars for Ottawa charities; and spoke at National We Day, Count Me In and many other youth collectively now over 22,000 people! His savvy skills and off-beat attitude landed him Canada's Top 20 Under 20 Award in 2013. Fahd has built a reputable career in leadership development, motivational speaking, and creative fundraising. With a fun demeanour and a background in youth work, Fahd entertains and engages the audience, and leaves them feeling empowered to be the leaders of today.

**Sam Demma** believes that embedded within every student is the power to make massive impact inside and outside of the classroom, but sometimes this potential goes untapped because as a teen "changing the world or changing your life" can often seem impossible. In this keynote Sam shares personal lessons and stories that teach teens how to make a significant impact in their own lives and communities. He encourages and empowers students to grow into the leaders that deep down they already are. Sam is on a mission to change the lives of 10,000,000 young people one talk at a time.

The Horizons Leadership Conference is a leadership opportunity provided and supported by the **Canadian Student Leadership Association**. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
