

This will be a one-day leadership journey for student leaders and teacher advisors with all levels of experience. The agenda is designed to provide participants with motivation, inspiration and information to make their schools a better place to live and learn. This is an excellent opportunity for students who might be thinking about taking on a leadership role in their schools.

• **About the Speakers**

Carla Cuglietta is the Co-Founder and Executive Director of Y.L.W. She is also a Canadian born educator, consultant, humanitarian and keynote speaker. Over the last 20 years she has been involved in global projects in Mexico, El Salvador, Costa Rica, China, Laos, India, Sierra Leone and Uganda. Her mission of 'helping people, help people' started at age 16, and has become a lifelong pursuit. That's why her stories resonate with audiences of all ages. Having worked alongside some of world's extraordinary Changemakers, Carla's experiences are living proof we can all make a difference, you can start at any age, and together we can build a better world.

Levi Stanford was involved in an accident only five days after being married to his beautiful wife which not only led to the amputation of his left hand but also left him fighting for his life. Waking up from an induced coma, Levi was filled with an immense gratitude for having a second chance at life, which he used to not only make a remarkable recovery but excel as a musician/singer. From this experience, Levi was inspired to share his message and now travels worldwide as a motivational speaker.

The Horizons Leadership Conference is a leadership experience provided by the Canadian Student Leadership Association. Our aim is to motivate, inspire and educate advisors and student leaders across Canada.
