

This will be a one-day leadership journey for student leaders and teacher advisors with all levels of experience. The agenda is designed to provide participants with motivation, inspiration and information to make their schools a better place to live and learn. This is an excellent opportunity for students who might be thinking about taking on a leadership role in their schools.

• **About the Speakers**

At the age of 5, **Cody Deaner** had one goal... to one day wrestle in the same ring as his childhood hero – Hulk Hogan. Despite his smaller size, and a high school guidance counsellor who told him not to pursue a career in professional wrestling, Cody achieved his dream and eventually wrestled for the largest wrestling company in North America. He speaks to youth about the power of positivity and perseverance. His goal now is to focus on being a positive influence and tells stories of the power of positivity, being a small town hero to children all across Canada, and starting a charity campaign, *Giv'er for Charity*.

Jeff Gerber leads one of the largest and most impactful high school leadership programs in the province of Ontario. He is an engaging and experienced workshop presenter and speaker. From an early age when he convinced his entire kindergarten class to change their boots to the wrong feet to match his, Jeff has had a natural way of connecting with people and moving them to action. A genuine motivator, Jeff is always striving to learn more and do more. He is excited to be part of the Horizons and looks forward to meeting you and working alongside you to better your school community!

The Horizons Leadership Conference is a leadership opportunity provided and supported by the **Canadian Student Leadership Association**. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
