• **About the Speakers**

Scott Hammell knows what it takes to be a student leader. He was an elected member of student council every year of his high school career, and served as the Student Council President in his final year. Since then, Scott has toured the world presenting at top leadership conferences for students from eighth grade through to college and university. He uses magic, escapes, and juggling as methods to create a presentation that is entertaining, inspiring, and unique. Prepare to be amazed!

Levi Stanford was involved in an accident only five days after being married to his beautiful wife which not only led to the amputation of his left hand but also left him fighting for his life. Waking up from an induced coma, Levi was filled with an immense gratitude for having a second chance at life, which he used to not only make a remarkable recovery but excel as a musician/singer. From this experience, Levi was inspired to share his message and now travels worldwide as a motivational speaker.

The Horizons Leadership Conference is a leadership opportunity provided and supported by the **Canadian Student Leadership Association**. Our aim is to Motivate, Inspire and Educate advisors and student leaders across Canada.
