

Refund Policy

We have a 10-day refund policy for unused registrations, which means you have 10 days after receiving your invitation to join to request a refund.

Refunds are not possible once the program has been accessed. You'll also need the receipt or proof of purchase.

To start a refund, you can contact us at slcp@studentleadership.ca. If your refund is accepted, you will receive payment within 10 business days.

You can always contact us for any refund question at slcp@studentleadership.ca.

Exchanges

Unused registrations can be transferred between students from the same school. To coordinate the exchange of payment, your teacher advisor must contact us at slcp@studentleadership.ca.
